

# ENDEAVOUR CABERNET SAUVIGNON

## Dry Creek Valley

### 2016 VINTAGE

WINE ENTHUSIAST  
DECEMBER 2019

**94 Points** - Blending in 8% Petit Verdot, this big red offers leather and black currant, with thick, structured tannins and a lasting grip. Highlights of black pepper and dried herb enter into the frame as it develops, with rich, inviting flavors of dark chocolate and coffee that linger for awhile.

JAMES SUCKLING  
DECEMBER 2019

**93 Points** - This has a wealth of ripe and rich dark berries with plums and dark cherries on offer, too. There's a sturdy and assertive drive on the palate. Bold, ripe fruit abounds.

WINE & SPIRITS  
DECEMBER 2019

**91 Points** - What does it mean for a wine to be friendly or playful? Two tasters used those words for this cabernet, a wine that delivers sumptuous fruit with brightness, the brash edge of wildflower honey and tannins becoming so integrated they meld seamlessly into the texture.

ROBERT PARKER'S  
WINE ADVOCATE  
DECEMBER 2019

**90+ Points** - Opaque ruby purple, the 2016 Cabernet Sauvignon Endeavour Vineyard is youthfully closed, slowly giving up broody notions of tar, potting soil, cassis, dried thyme and bay leaf with fresh pipe tobacco, black cherries and a graphite nuance. Full-bodied, it's dense in the mouth, with chewy tannins and just enough freshness, finishing with sweet baking spice.
