## WHITE WINE OF THE MONTH

### 2005 CHARDONNAY

*Russian River Valley*

“Dry Creek is back! Winemaker Bill Knuttel is a master at Chardonnay and this lovely rendition is reminiscent of a really good Puligny Montrachet. It’s perfectly balanced (such a rarity these days), with great texture, vibrancy and minerality, and bright spots of citrus, white peach and toasted almonds. The oak influence is subtle, and mostly involves the silky texture.”
