JUNE 2008

the wine shop

This month, Continental Sommelier Martin Korson recommends crisp white wines. Perfect for summertime drinking.

2006 Dry Chenin Blanc Clarksburg

“A consistent summer favorite for me. Think Meyer lemon and ripe grapefruit with a crisp, zesty finish. This is a great alternative to Sauvignon Blanc that will amaze your friends with its dryness. It’s been made by really nice people in Sonoma California since 1973.”
