Great wines under \$20

2002 DRY CREEK VINEYARD CABERNET SAUVIGNON

“If you want to enjoy big fruit up front and soft tannins to coat your tongue, call a Cab. This one from a Sonoma winery is in top form. Big and full as a bass note, with a nose of blackberry, espresso and cherry and satin-smooth jam flavors, it’s a ruby in the Cabernet crown. I thought it showed a remarkable sophistication for a wine its age and it held up splendidly next to a helping of spicy barbequed country ribs off the grill the other night.”
