ROBERT PARKER'S  
WINE ADVOCATE  
January 2015

**93 Points** -The dense purple-colored 2012 Zinfandel Estate Spencer's Hill is the largest cuvée of 628 cases. The densest and richest of these Zinfandels, it offers a big, sweet kiss of baking spices, red and black fruits, a full-bodied mouthfeel, a terrific finish and intensity, but no hard edges. This is an opulent, ostentatious, flamboyant, but still classic Zinfandel in its overall personality. Drink it over the next 5-7 years.
