SETTING DRY CREEK SAUVIGNON BLANC APART

- This elegant wine reflects the vision of our second generation to produce Sauvignon Blanc that expresses Dry Creek Valley's unique *terroir*, with racy acidity and a full-bodied mouthfeel.
- Distinctive and unique clones of 14% Sauvignon Musqué and 7% Sauvignon Gris provide added dimension and depth.
- Stainless steel fermentation was supplemented with small amounts of chestnut, acacia and neutral French oak to lend additional character and nuance to this delicious wine.
