“This Bordeaux-style red blend is a complex, intricate and well-structured wine that emphasizes toasty, peppery aromas and savory, red-fruit flavors. Moderate tannins and good fruit acidity give a lively, appetizing texture that supports the raspberry, red cherry, bay leaf and black pepper flavors. Really interesting to sip and savor.”

“This lighter-style blend of Bordeaux varieties delivers loads of crushed black cherry, cassis, and cinnamon on the nose. The palate is a balance of rich tannin, juicy acidity, and flavors of currant, licorice, and black plum all along the finish.”
