WINE ENTHUSIAST®

“This Sauvignon Blanc delivers a blast of fresh lime, ginger and white flowers on the nose, leading to a supple textured palate with bright flavors of citrus peel, pithy grapefruit and spice before the floral energy of the finish takes over.”

Wine Spectator

“This white’s lovely mix of fresh lemon, pear and pomelo is pure and focused, with accents of peach blossoms, creamy oolong tea and dried ginger. Lemon oil and fresh-clipped herb notes linger on the finish.”
