HIDDEN GEM

WINE ENTHUSIAST®

“This producer is known for championing Chenin Blanc, and Clarksburg has become a desirable spot to grow the grape. Small, persistent bubbles offers aromas of makrut peel, crème fraîche, and white nectarine on the nose. Mineral sears through the core of the fruit in the midpalate, finishing with kiwi, lime, green apple, and a dry, supple texture.”

— TONYA PITTS
